Sorry about that, I can't figure out where the settings are for giving access and/or allowing editing. I decided to "share" through the system; you should have received an email just now to allow you access and ability to edit. Please let me know if that didn't work. Thanks.

I clicked on the link and can't access the document. Please send file via email or grant me access to the site.  
Thank you.

Sorry, you don't have access.

I'd like access, please.
